## FROM THE PRESIDENT

Jo Lightsey

### VOTE, VOTE, VOTE! TUES., NOV. 7, 2023

Please take time to cast your vote on Tues., Nov. 7. Your vote can make a difference.

OSBCA met in a September Board meeting to plan a Neighbor's Night Out (NNO) event to be held Tues. Oct. 3, 2023. Virginia Lehman volunteered to Chair the committee. After all the planning, the committee waited and watched, would you believe, the one day it RAINED, whether or not to "Go Ahead" at 6 p.m. Sadly, at 5:20 p.m., the decision was made to CANCEL. Thank you, Virginia and committee members for your sincere effort. We were happy for the rain, but sad not to see you residents. We plan to have NNO in October 2024.

Our next OSBCA meeting and the last meeting of 2023 will be Tues., Dec. 12. No scheduled Christmas party again this year. However, if the Association decides differently about hosting a social for the holidays, the details will be in the December Bugler.

## ***FROM THE PRESIDENT – CONTINUED...***

I attended Council Member Amy Peck's Town Hall meeting at Spring Spirit on Campbell Rd. on Oct. 28, 2023. The main subject was "Safety in our Neighborhoods and the City of Houston". The heads of HPD, Fire Dept. and Kim Ogg's prosecuting attorneys gave an insight on how important it was for all citizens to be a part of crime prevention and the value of "Safety". I wished all our OSB residents had been there to listen to these outstanding leaders of our city.

Some good news. Three vacant houses in OSB have been demolished by the City of Houston, so I was told. At least vagrants have lost these places to squat. I have no idea what these properties will house. I do know that one lot is in the subdivision, Long Point Oaks. It is strongly deed restricted and can only house a single family home.

Once more, I want to remind those **folks who own a vacant house in OSB. You, as an owner, are responsible for having a vacant house locked and secure.** It is against the law to have property left open attracting vagrants.

Make sure to follow us on [Facebook](#) to stay informed on local happenings and for more information about OSBCA, visit our website at [OldSpringBranch.org](#).

## **YARDS OF THE MONTH – SEPT & OCT**

*Jo Lightsey*

Have a great Thanksgiving! Count your blessings. Be thankful and kind.

The Yard Hawk postponed this article from the last Bugler due to the fact that the "no rain" days took a toll on our neighborhood yards. This last week of October, I drove through the neighborhood and found that many yards were still in despair.

Sadly, yards have not recovered from the drought and many were not groomed as usual. I found that those yards that have qualified in the past were short on most of the criteria for yards of the month.

Therefore, "Yards of the Month" will resume in April. Criteria will appear in the March Bugler, 2024.

## **LANDSCAPING**

*Nino Roman*

With Fall's arrival, here are a couple of things we can do to protect our landscapes:

1. Apply fall fertilizers on lawns/flower beds, i.e. Micro Life fertilizers 8-12-16.
2. Apply mulch to keep moisture and protect the root ball from freezing. You can also use pine needles and dry leaves.
3. Cut back on watering and change to start time to late morning. i.e. 8 a.m. – 9 a.m.
4. Apply a fungicide to keep brown patch in check. Brown patch will come back in the same spot and reappear every year.
5. The ideal mowing height for St. Augustine is between 3" to 4" (inches).

Thank you, LMC for continuing to maintain our two (2) esplanades: Hammerly/Wirt, Antoine/Long Point. OSB appreciates your support.

## **CITIZENS ON PATROL – SEPT & OCT 2023**

*Virginia Lehman*

We reported a total of 32.25 patrol hours for the month of September and 31 hours for the month of October. As always, I want to thank our Citizens on Patrol (CP) volunteers for patrolling our area whenever possible. I do believe we make a difference. We are always looking for volunteers to join our CP group. If you are interested, feel free to contact Virginia at 832-748-8088, please leave a message. We would love to have you.

Our ‘homeless’ gathering/camp site has been dismantled. Some of its ‘occupants’ remain in our area; we all need to keep our eyes open to make sure they don’t set up camp in the same spot or another area of our community. I know that HPD had visited the ‘camp’ on several occasions and were able to disburse the occupants, but they would return shortly after HPD would leave the site. Jo Lightsey, Loretta Nalley and I did discuss this problem with Amy Peck, our District A council woman and a representative from Tom Ramsey (Precinct 3 Commissioner) office at the PIP meeting in August. Loretta followed up with an email with pictures and exact location. I am not sure who was responsible for removing the ‘camp fixtures’ (couch, mattresses, tarps and chairs, etc.), but pretty sure that ‘removal’ discouraged the occupants from returning.

There are quite a few houses in our area that really had the Halloween spirit. I especially enjoyed the decorations at the corner of Harland and Hammerly and on the corner of Counter Point and Inch. Woodvine had a great amount of trick or treaters.

The Christmas holidays are fast approaching so beware...porch thefts hit an all-time high in the month of December.

Be aware of your surroundings! Stay alert, be diligent and report any incidents that you see or hear. If the Police department is not aware of anything going on in our neighborhood, they will not patrol our area. You can call the non-emergency number at 713-884-3131. If it is life-threatening situation, please call 911!

## **NEIGHBORS NIGHT OUT**

I was so excited to oversee the Neighbor Night Out event this year and I had great plans to make this event exciting for all who came...everything was in place and in order. The volunteers were all ready to go and we stayed in close contact all afternoon, but you can’t argue with Mother Nature and I decided to cancel the event at 5:15 due to weather. However, I am glad that we got some much-needed rain!

A BIG THANKS to the volunteers: Jo Lightsey, Linda Whatley, Loretta Nalley, Gerry Thielemann, Christi Hicks, Murphy Critelli, Mike McGeehon, Eric Schmidt and Roman Nunez.

We look forward to hosting next year’s National Neighbors Night Out in October 2024.

## IN TOUCH

Virginia Lehman

It is with profound sadness that we announce the passing of **Marvin Thielemann** on Wed., Sept. 13 after a long illness. Marvin was 87 years old and lived in our community since the 60s. He was a big part of our Civic Club organization and held the position of Vice President for several years. You could always count on Marvin to lend a hand or be on hand for any civic club event and he was also one of our CP volunteers. He will be greatly missed!

It is also with a heavy heart that I announce the passing of my sister, **Lorna Gast** on Mon., Sept. 18, after battling Pulmonary Arterial Hypertension (PAH) since 2015. Lorna was 65 and resided in our community most of her life.

**Jose Reyna Salazar**, 82, known to OSB residents as Joe Reyna, passed away Sun. Oct. 15, 2023. Joe and his wife, Alicia, created a home in Spring Branch for 56 years. Joe started a successful Auto Body Shop called Reyna Auto Body Clinic in 1967. It is now succeeded by his son, Cesar Joel Reyna.

## DEED RESTRICTIONS

*Committee of Five*

The Committee of Five recently drove around the neighborhood. The good news is that there were not too many violations to report. Those that we did notify, were due to unauthorized vehicles such as a boat, RV, trailer, box truck, seen from the street, and fence, etc., built beyond the front of the house.

Please remember, if you are in a deed restricted area, these items must not be able to be seen from the street and built. If you are unsure, whether or not, you are in a deed restricted area, please come to the next Civic Association meeting on Tues., Dec. 12, or go to our website [OldSpringBranch.org](http://OldSpringBranch.org). Your Deed Restrictions are there. We can also provide a copy of your deed restrictions to you if you will call 713- 681-0560, leave a message and your address. OSB will deliver or mail your Deed Restrictions to you. Thank you, everyone, who have adhered to your deed restrictions. Please keep it up!

## BEAUTIFICATION: GARBAGE AND HEAVY TRASH COLLECTION

*Jo Lightsey*

The Solid Waste Department has been consistent in picking up the garbage and the recycle. Garbage collection has been on time (Fridays). Recycle collection fell off Fridays and has been collected on Saturdays. Don't try to outguess the recycle collection because sometimes it is picked up on Friday. Therefore, it is wise to put both containers out for Friday collection.

Now Heavy Trash is still a little iffy. I strongly encourage that OSB residents follow the Heavy Trash Schedule. Remember if it is "Tree Only" month, do not mix Junk with Tree. If you do so, Heavy Trash collection WILL NOT pick up your Tree Heavy Trash. However, "Junk" month, one may mix Junk and Tree Heavy Trash.

I am not sure how to tell one how "tied bundled" tree limbs are being collected. Continue to put them out on Fridays. Yard clippings/leaves continue to place in decomposable bags. If not collected in a reasonable time, I suggest placing in garbage bins. 😞

Solid Waste Dept. is still having difficulty hiring enough drivers for collections on scheduled days. **I highly suggest that you call 3-1-1 if ANY of your Solid Waste items are not collected in a reasonable time.**

Residents, please continue to keep your street and ditches clear of litter and plants. **Do not plant any type of plan in your ditches. It blocks the water flow in the ditches, and it is illegal.**

## OSBCA HOLIDAY CELEBRATIONS

*Jo Lightsey*

The OSBCA Holiday Party has been canceled again this year. We hope to be able to reschedule the party in 2024. While the party has been canceled, **we always enjoys having the neighborhood participate in the following: Holiday Decorating Contest.**

### Holiday Decorating Contest

OSBCA members will be judging the decorated homes in the neighborhood during the week of December 16-22. **This year, the top six (6) homes, overall, will be listed.** It is important that you have your **lights on every night of the judging week. Your house address number must be visible from the street.** If your address number cannot be read, your home cannot be listed in the judging.

There is no right or wrong. There are no set guidelines, besides the house numbers being visible.

Judging is done on personal preference. Anyone can be a judge. Contact Secretary, Linda Whatley, 713-681-0560, if you intend to judge. When you have made your six top selections, turn your vote in to Linda Whatley, in some form: phone, paper, e-mail [whatleylm@gmail.com](mailto:whatleylm@gmail.com)

**Deadline** for turning in your judging list is Friday, December 22, 2023.

## **SPRING BRANCH INDEPENDENT SCHOOL DISTRICT BUDGET CUTS PROPOSAL, INCLUDING CLOSING TREASURE FOREST ELEMENTARY**

In recent weeks, the SBISD Board of Trustees met over a series of meetings to review the first phase of budget considerations to address the district's \$35 million budget shortfall for the 2024-25 school year.

To watch both of these board meetings, [click here](#). The October 23 board meeting covers the proposed budget cuts and public comment. The October 30 special meeting covers extensively the proposal to align high school schedules and the high school student/teacher staffing ratios.

### **The following are the proposed budget cuts in Phase 1:**

- **School Closure of Treasure Forest Elementary**
  - o Close Treasure Forest Elementary and relocate students to Housman and Ridgecrest elementaries to maximize facility usage, staffing and programs.
- **Close Panda Path School for Early Learning**
  - o Discontinue the lease for the Panda Path School for Early Learning and adjust boundaries for students to attend Lion Lane and open 1-2 Pre-K classrooms at Hollibrook Elementary.
  - o Balance enrollment across the district at Pre-K Schools for Early Learning.
- **Pause Bond Programs for Sherwood, Spring Shadows, Thornwood and Terrace Elementary schools**
  - o Pause the four remaining elementary school replacement projects (Sherwood, Spring Shadows, Thornwood and Terrace elementaries) to provide the district time to conduct an operations cost review.
- **High School Student-Teacher Ratios**
  - o Increase the high school staffing ratio.
- **High School Schedule**
  - o Align all high schools on a seven-period schedule to maximize efficiency of staffing, while also enabling a 4th teaching block at the Guthrie Center to expand CTE opportunities for students.
- **Pre-K Tuition Increase**
