## FROM THE PRESIDENT

*Jo Lightsey*

Well, winter did not pass OSB by. That one day of snow was a fun and fantastic experience for the kids—and even for the adults—who had never seen OSB covered in gray and white. I was truly amazed at the empty roads, free of traffic. We all did well following the instructions to “stay home and off the roads.” Hopefully, all was well in your homes during the days when temperatures dropped below freezing.

Now, that brings me to the wilted and ice-damaged vegetation in our yards. It’s going to take some time for our landscapes to recover, so let’s be patient. Before trimming away what looks dead, give your plants a little time to see if they’ll bounce back.

And what can I say... OSBCA is working on some challenges in the neighborhood. Inoperative vehicles, trailers in driveways, junk on porches, commercial vehicles parked overnight on residential streets, cars parked in yards—these issues affect the way our community looks and feels.

Let's continue working together to uphold the standards that make OSB a place we are all proud to call home. Your support is appreciated—thank you for being part of the solution!

## CITIZENS ON PATROL: KEEPING OSB SAFE AND INFORMED

Virginia Lehman

Happy Valentine's Day! Due to *The Bugler's* deadline, we will report January's CP patrol hours in next month's newsletter.

January is a gloomy month for patrolling—most of the Christmas decorations are down (though a handful of houses still have their lights up), the trees have lost their leaves, and most lawns are in their dormant stage. Cloudy days make everything look a bit dull. Unfortunately, this also makes certain issues stand out more—like the piles of junk and tree waste in empty lots and vacant houses every month, or whether that big dump truck parked on Harland ever actually moves. I'm looking forward to spring!

We're also still hearing random fireworks going off, usually on weekends.

### Neighborhood Updates

- The ongoing eyesore on **Jacquelyn/Jacquelyn Oaks** is still a concern, though some improvement has been made.
- There's an **average of five black trash cans and one green recycle can** remaining on Jacquelyn throughout the week.
- **Streetlights on Woodvine** have been repaired. I'll try to do a nighttime patrol this month to check for other streetlight outages. **Remember, you can report streetlight outages directly to CenterPoint Energy at 713-207-2222** or through their **Electric Outage Center** on their website. You'll need the six-digit number on the light pole or the address where the light is located.
- The group of individuals **hanging out on Woodvine/Long Point** appears to be dwindling. They are absent more often than present, which is a great improvement!

### Join the Citizens Patrol!

Thanks to all our CP volunteers—I truly believe we make a difference! We are always looking for more volunteers. If you're interested, please call **832-748-8088** and leave a message. We'd love to hear from you!

#### PREVENTING CRIMES OF OPPORTUNITY

Help keep our community safe by taking simple precautions:

- ✓ **Lock your car doors** and keep valuables out of sight.
- ✓ **Close your gates and garage doors** when not in use.
- ✓ **Turn on your porch lights at night** to deter suspicious activity.

A few small steps can make a big difference in keeping OSB a secure and welcoming place to live!

#### BE AWARE OF YOUR SURROUNDINGS

Your safety starts with awareness! Stay alert and report any suspicious activity to law enforcement. If the police aren't aware of what's happening in our neighborhood, they won't know to patrol the area.

 **Non-Emergency Police Number: 713-884-3131**

 **Emergency? Call 911!**

Together, we can keep OSB safe!

## WINTER LANDSCAPING: PROTECTING YOUR PLANTS AND PIPES

*Nino Roman*

Winter isn't over yet! The January snow and freeze were a jolt to Houston. After experiencing summer-like temperatures in December, we were quickly reminded that cold weather can still hit. I wouldn't be surprised if we have at least one more hard freeze—Houston has been known to experience freezing temperatures in both January and February. **Be prepared!**

When it comes to your plants, don't rush to trim them too soon. Here are a few things you can do during freezing weather to help protect your landscape:

1. **Don't trim or throw away plants that appear dead.** Just because the foliage has withered doesn't mean the plant is gone. Wait until spring to check for new growth.
2. **Water your plants before a freeze.** A good soak will insulate the root ball and help keep them alive. Cover tropical plants, fruit trees, and annuals.
3. **Use tree leaves to create protective mounds.** Piling leaves around the base of plants provides insulation.
4. **Cover plants with fabric or a weed barrier.** This helps trap warmth and protects them from frost.

For those who experienced the headache of **burst pipes**, I'm truly sorry. I don't know what your situation was—or what it may be in the future—but I say this: **insulate your pipes, turn off your water, and drain the pipes.** If you choose not to turn off the water, **drip your faucets!** Do what you know to do. Freezing weather is unpredictable, and let's face it—we're warm-weather folks. ☺

Before wrapping up, I want to take a moment to **thank Bill Cox and LMC** for their continued care of the OSB esplanades at the Wirt Road and Antoine entrances. Your many years of support and dedication are truly appreciated!

## BEAUTIFICATION: KEEPING OSB CLEAN AND ON SCHEDULE

Jo Lightsey

### Solid Waste Collection Update

Solid Waste collection had finally gotten back on schedule—until the **recent snowstorm** threw things off again. Just before our usual **Friday garbage and recycling pickup**, I received a notice that **Solid Waste would collect garbage only on Sunday**, with all other collections (recycling, yard waste, and heavy trash) to be rescheduled later.

An **email blast** was sent to members with this update, and the information was also posted on our website and Facebook page.

### OSB is Back to Normal Collection Schedule!

The good news? **Everything is now back on track!** Below is the updated **February collection schedule**:

#### 📌 Garbage (Black Bin) Collection:

- **Friday, February 7** - Includes yard waste, garbage, and recycling
- **Friday, February 14** - Garbage only
- **Friday, February 21** - Includes yard waste, garbage, and recycling
- **Friday, February 28** - Garbage only

#### 📌 Heavy Trash Collection:

- **Thursday, February 27** - Includes junk and tree waste

Starting in **March**, you should be able to **follow the Heavy Trash and Recycling schedule from the January 2025 Bugler** for future collections.

Let's do our part to keep OSB looking great by staying informed and following the collection schedule. Thank you for helping maintain a clean and beautiful neighborhood! 😊
