REMEMBER: OLD SPRING BRANCH IS A DEED-RESTRICTED COMMUNITY.

FROM THE PRESIDENT

Jo Lightsey

I learned from one of our members in the March 11, 2025, meeting that I am too brash in my messages to the OSB residents. It is probably true that I am not a diplomat, but I am to the point and “if the shoe fits”... I truly respect the residents in our community and hope that each of you respect the fact that as your President of the Civic Association, it is my duty to remind everyone to abide by the City Codes, Deed Restrictions, and HPD laws.

The Board of Directors, 2025-2026, Election Slate is included in this Bugler. If any of you are willing to fill one of the vacancies, the OSBCA will welcome you. Please contact me, Jo, at 713-681-0560. Leave your name and phone number and I will call you back. Your help will be appreciated.

May is Membership Drive month. A Board Committee is planning a “Member Appreciation” social. The event is encouraging all residents to come and become a member. Details will be in the May hard copy Bugler. This hard copy will be delivered to all OSB residents.

A yearly membership is \$25 yearly (just .07 cents a day); \$12.50 yearly for retired/seniors, membership (just .03 cents a day). Just for “grins” put these amounts in a jar every day, and one will have saved for the required amount for a membership per household for one year.

I am depending on all OSB residents to do their part to uphold high standards that require all of us to live a better life. Since my moving here in 1975, I have seen this area change in different ways, but those of us who have been here for years, love our OSB and hope that those who move into OSB will take as much pride in your home as we longtime residents do in our homes.

HPD’S DIFFERENTIAL RESPONSE TEAM WORKS WITH OSB

Jo Lightsey

“The purpose of the Police Department’s Differential Response Team (DRT) Unit is to work with the Central Business District Community to reduce crime and improve quality of life.”

It was explained to me that violations existing in neighborhoods can sometimes lead to more serious illegal activities. This is not always true, but the removal of violations does improve the quality of life and property value. Therefore, it is important that OSB residents be encouraged to follow the City of Houston ordinances (codes), Subdivision Deed Restrictions, and HPD laws. The City of Houston 3-1-1 Division also sends inspectors out to neighborhoods to encourage citizens to eliminate a nuisance found on their property. Compliance is necessary to keep neighborhoods attractive and high in value.

Please respect the Subdivision Deed Restrictions. As an owner or renter, you are responsible for knowing the “rules of the land” on which you own or rent. Copies of all the Deed Restrictions can be found on OSB’s website: OldSpringBranch.org/Deed-Restrictions

CURB APPEAL COUNTS: WHY BEAUTIFICATION MATTERS IN OSB

Jo Lightsey

What makes a neighborhood truly beautiful? It’s not just flowers and fresh paint—it’s also about how well we care for our properties and follow the rules that keep OSB looking its best. Here are the key elements that help maintain a clean, attractive neighborhood:

1. **Following OSB Deed Restrictions** - These help preserve the residential look and feel of our neighborhood. They prevent things like someone starting a toilet repair business in their front yard, keeping farm animals on the property, or parking construction equipment like a bulldozer in the driveway.
2. **Complying with City of Houston Ordinances** - City codes help prevent the storage of junk cars and other unsightly items in plain view from the street.
3. **Following the Heavy Trash Schedule** - Only place large trash and tree limbs out during the designated collection week. This keeps our streets clear and prevents lingering debris.
4. **Keeping Property Clean and Clear** - Avoid storing appliances, junk, or indoor furniture on porches. Litter scattered around the yard or driveway hurts the look of the entire street.
5. **Mowing, Edging, and Weed Control** - A well-maintained lawn shows pride in your home. Keeping your grass trimmed and neat ensures your yard doesn’t resemble a cow pasture—and it really elevates the whole block.

When homes in a neighborhood are neglected, it impacts all of us—bringing down property values and making it harder to sell or take pride in our community.

So ask yourself: What do you look for when shopping for a home? What would help you sell one? Chances are, it starts with curb appeal—and that begins with all of us.

PREVENTING CRIMES OF OPPORTUNITY

Help keep our community safe by taking simple precautions:

- ✓ **Lock your car doors** and keep valuables out of sight.
- ✓ **Close your gates and garage doors** when not in use.
- ✓ **Turn on your porch lights at night** to deter suspicious activity.

A few small steps can make a big difference in keeping OSB a secure and welcoming place to live!

BE AWARE OF YOUR SURROUNDINGS

Your safety starts with awareness! Stay alert and report any suspicious activity to law enforcement. If the police aren’t aware of what’s happening in our neighborhood, they won’t know to patrol the area.

 **Non-Emergency Police Number:** 713-884-3131

 **Emergency? Call 911!**

Together, we can keep OSB safe!

SPRING INTO LANDSCAPING: TIPS TO GET YOUR YARD READY

Nino Roman

With the first day of spring behind us (March 20), it's time to roll up our sleeves and get back into the garden! Here are a few helpful tips to get your landscaping in shape for the spring and summer months ahead.

Getting Your Garden Ready for Spring/Summer

Start by fertilizing your lawn and garden beds with a good organic fertilizer. Trim back any plants damaged by the winter freeze and clear out any weeds from your beds and landscaped areas.

Add a fresh layer of mulch—about 1½ to 2 inches—to help retain moisture and keep weeds down. Now's also a great time to replace or relocate any plants that didn't survive the winter or just aren't thriving where they are.

Check your sprinkler system to make sure everything is working properly before the heat kicks in, and don't forget to add a splash of seasonal color with some new flowers. Finally, give your trees a trim if needed, then sit back and enjoy the results of your hard work!

Everyone has their go-to spot for gardening supplies, so swing by your favorite store to grab some mulch, organic fertilizer, and the trees, shrubs, or flowers that'll make your yard pop.

Special thanks to LMC for their continued care and service to the Hammerly medians and our two OSB esplanades. Your work helps keep our neighborhood beautiful!

OSBCA MEMBERSHIP: LET’S MATCH LAST YEAR (AND MAYBE BEAT IT!)

Loretta Nalley

The new OSBCA membership year officially begins **May 1**, and while we haven’t hit our big goal of 75 members just yet, we’re holding strong at 52. Last year, we ended with 55 members—a 10-person increase from the year before. We’d love to meet (or beat!) that number again this year, and we need your help to do it.

If you’ve been thinking about joining or renewing, now’s the time! Membership is just **\$25 per household** (or **\$12.50** for seniors or those on fixed incomes), and your support goes a long way in helping us fund community efforts like beautification, safety patrols, social events, and enforcing deed restrictions.

Why Join? Here’s One Easy Reason:

One of the best perks of membership is that you’ll receive **The Bugler newsletter delivered straight to your inbox every month**—keeping you in the loop on neighborhood updates, projects, events, and more. And while many of the benefits we provide are enjoyed by all residents, it’s the support of our paid members that makes it all possible.

Help Us Finish Strong

We’ve noticed a few streets that had more paid members last year than they do now: Amelia, Antoine, Cedel, Johanna, Silverbonnet, Turquoise, and Woodvine. If that’s your street, consider renewing your membership—or better yet, **invite a neighbor to join or gift them a membership** as a friendly way to stay connected and involved.

Stay Connected with OSBCA Online

Our website, OldSpringBranch.org, is a helpful resource year-round. There, you’ll find the **recycling and heavy trash schedules**, a copy of our **deed restrictions**, **important phone numbers**, and **past issues of The Bugler**.

Want to know what’s going on in the broader Spring Branch area? Follow us on [Facebook](#), where we share **local events, community happenings, and updates** beyond OSB.

A Thank-You Social Is On the Way

We’re planning a **Membership Appreciation Social** to celebrate all of you who help make this community thrive. More details will be shared in May’s newsletter!

So, whether you’re renewing or joining for the first time, now’s your moment to support OSBCA and be part of something bigger.

THE “ROAD HAWK” IS READY TO RIDE AGAIN AT THE END OF APRIL

Jo Lightsey

Spring is here, and it's a great time to get outside and refresh our yards! I love seeing how our OSB neighbors bring new life and beauty to their landscaping and gardens each year. It's always exciting to see the transformation—and your hard work doesn't go unnoticed. By following the updated criteria below, you could land your spot on the “Yards of the Month” list and be featured in *The Bugler* each month. Thanks for your hard work and dedication to keeping OSB beautiful!

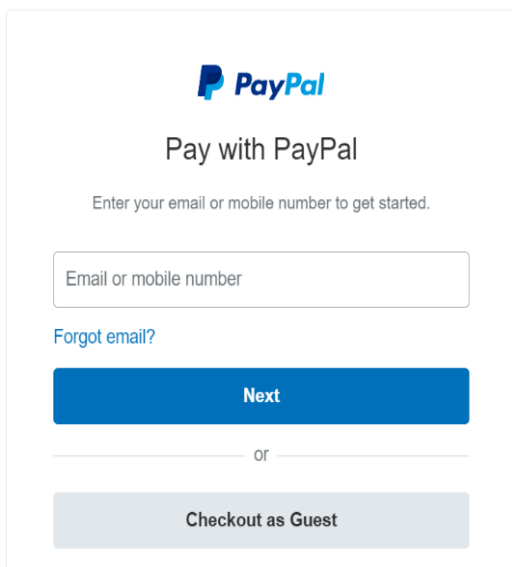

Want to be included in Yard of the Month? Here's How to Make Your Yard Stand Out!

Every month, OSB celebrates residents who go the extra mile to keep their yards beautiful. Want to earn the spotlight? Here are **5 simple ways** to boost your curb appeal and increase your chances of being named **Yard of the Month**:

1. **Keep Your Lawn Green & Groomed:** A healthy lawn is the foundation of a standout yard. Mow and edge regularly, water as needed, and stay on top of weed and pest control to maintain that lush, green look.
2. **Maintain a Neat & Tidy Appearance:** Make sure your yard is free of clutter, debris, and visible trash. Trim overgrown trees and shrubs, and keep walkways, curbs, and driveways swept and clean for a polished, well-kept appearance.
3. **Add Color & Curb Appeal:** Incorporate flowers, decorative plants, or small shrubs to give your yard a vibrant, welcoming feel. A well-planned layout and healthy greenery can make all the difference.
4. **Stay Up to Code:** Keep fences, porches, and patios in good repair, and follow all City of Houston Codes and OSB Deed Restrictions. Trash and recycle bins should be stored out of sight when not in use to help maintain a clean streetscape.
5. **Remove Seasonal & Outdated Items:** Take down any decorations from past holidays and clear out items that don't belong outside, like indoor furniture. Your porch and patio should look clean, current, and inviting year-round.

Before you finish, take a step back and view your yard from the street. Is it visually appealing? Are your plants healthy and well-maintained? Does everything look fresh and damage-free? If so, you might just be in the next Yard of the Month!

- **Number of Homes Sold:** 3
- **Average Sales Price:** \$387,267
- **Average Price per Square Foot:** \$259.96
- **Days on the Market:** 41

Spring is upon us! The real estate market knows it—and just like the rising temperatures, new listings are starting to heat up. We currently have **five properties expected to close within the next 2 to 53 days**, all of which are **new construction**.

In addition, there are **nineteen properties** listed for sale, **eleven** of which are new builds. Many of these are offering buyer incentives that can help with closing costs or agent commissions (yes, these are the same ones mentioned last month).

The average time a home stays on the market varies. If priced correctly, it's about **1.3 months**. If overpriced, it can take up to **10.4 months** to sell.

Curious about your home's market value? Thinking of buying? Or just have real estate questions? I'm here to help—call me at **713-391-6533**.

Homestead Exemption Update

If you've had your **homestead exemption** for more than five years, it's **critical** to check with the county. Recent policy changes now require homeowners to **renew the exemption every five years** in order to prevent fraudulent filings from non-owner-occupied properties.

- **Number of Homes Leased:** 0
- **Average Lease Price:** \$0
- **Average Price per Square Foot:** \$0

If you have a vacant investment property, now is a great time to list it. **Rental demand remains strong**, and pricing varies widely:

- **Minimum:** \$800
- **Average:** \$1,801
